Question

Please can you provide- Total number of staff employed by SAS as at 1st April 2019, and the current staffing position (or as current as possible), if possible broken down into areas and stations.

Answer

Please see the attached sheet detailing the information requested above. There are two tabs, the first shows the headcount of staff as of 01/04/2019; the second tab shows the same information as of 21/10/2024.

For the given data, you will see that some of the figures are shown as, five or less than five, please note that this figure has been suppressed because the statistical value is less than five. The Scottish Ambulance service has a duty, under the Data Protection Act to avoid directly or indirectly revealing any personal details. It is therefore widely understood that provision of statistics on small numbers, five or less are statistically suppressed upon disclosure
