Freedom of Information Request

17th October 2024

Question

I am writing to request the following information under the Freedom of Information Act. Kindly provide a response via email, along with any supporting data in digital format. 1. The number of patients referred for ADHD assessment. 2. The number of ADHD referrals that have been assessed. 3. The number of those assessed who subsequently received medical treatment. 4. The number of ADHD referrals that have been refused an assessment after referral. 5. Details on the training received by doctors and psychiatrists on ADHD, including dates.

Answer

The Scottish Ambulance Service is an emergency service and does not make ADHD referrals. It is for this reason we have applied section 17 of the Freedom of Information Scotland Act 2002, information not held.
