**SCOTTISH AMBULANCE SERVICE ENDOWMENT FUNDS  
REPORT OF THE TRUSTEES ON THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2022**

**Report of the trustees**

The Trustees have pleasure in presenting their report and audited financial statements of the Scottish Ambulance Service Endowment Funds (Endowment Funds) for the year ended 31 March 2022.

**Objectives and Activities**

The objective of the Endowment Funds is to provide for the welfare of the staff and patients of the Scottish Ambulance Service.

In fulfilling this objective, the Trustees will ensure that expenditure from the Endowment Funds is legitimate in terms of any instructions attached to donations and legacies made to the Fund.

The Standing Financial Instructions have been developed to assist Trustees in meeting these objectives.

**Achievements and Performance**

The Endowment Funds continues to support the First Responder Schemes in Scotland. Some of the items purchased for the First Responders Schemes incur annual charges, either licence costs or data charges. The fund also supports the purchase and installation of community defibrillators.

Training has been provided and equipment has been purchased that is additional to the provision the organisation makes through governmental funding sources.

Funding of £20,000 was provided to the Save a Life for Scotland (SALFS) campaign in final payment of the trustee's decision to award £60,000 over three years.

**COVID-19 and NHS Charities Together**

The Scottish Ambulance Service Endowment Fund signed up with NHS Charities Together and received over £125,000 of funding during 2020-2021. Initial proposals approved by the Trustees in June 2020 have been revised following staff engagement; health and safety concerns and premises adaptability. Trustees approved a revised proposal in March 2021 that will utilise this funding.

In March 2021, NHS Charities Together announced a funding package of £7 million to support ambulance service charities across the UK. Our share of that funding is over £500,000 based on population served and we have submitted a bid for funding for our 'Young minds saves lives' programme. We await the outcome of this bid.

REPORT OF THE TRUSTEES ON THE FINANCIAL STATEMENTS (Cont.)  
FOR THE YEAR ENDED 31 MARCH 2022**

**Financial Review**

Income

Income during the year was £120,215 (2020/21 - £219,314).

The Endowment Funds is entirely dependent on donations and legacies for the benefit of staff and patients in many locations in Scotland.

Interest earned this year has reduced to £913 (20/21 - £1,375).

The Endowment Fund is part of the HMRC Gift Aid Recovery Scheme and has calculated that all Gift Aid has been recovered within the financial year.

Legacies of £81,934 were received during 2021/22 (2020/21 – £23,025).

Expenditure

Expenditure during the year was £155,730 (2020/21 - £48,147).

The Trustees may spend funds for such purposes relating to services provided by them under the National Health Service Acts as they think fit, but always ensuring, so far as reasonably practicable, that the intentions of the donors plus any conditions imposed are met. This includes use of money for the provision of staff welfare.

The total deficit of expenditure over income for the period was £35,515 (2020/21 - £171,167 surplus). Funding received from NHS Charities Together last year has been utilised this year and is the main factor in the deficit.

**Total Value of the Fund**

The total value of the Fund at 31 March 2022 was £982,474 consisting of unrestricted funds of £185,344 (2020/21 - £107,320) and restricted funds of £797,130 (2020/21 - £910,669). Movements in the year are due to an operational deficit.

Funds are held in cash in the following accounts:

	<b>£</b>
Virgin Money (formerly Clydesdale Bank)	904,972
TOTAL	<hr/> 904,972 <hr/>

There are no investments held by the Endowment Funds. Any investments that are left to the Endowment Funds are sold prior to the winding up of the legator's estate and the Endowment Funds has only received cash.

**SCOTTISH AMBULANCE SERVICE ENDOWMENT FUNDS  
REPORT OF THE TRUSTEES ON THE FINANCIAL STATEMENTS (Cont.)  
FOR THE YEAR ENDED 31 MARCH 2022**

**Reserves Policy**

The unrestricted fund represents the free reserves of the Endowment Funds and are available to be utilised at the discretion of the Trustees.

The use of funds held in each of the restricted funds, detailed on pages 20 to 26 are limited to the specific purposes for which the funding was made available. Activity on any fund will cease when those funds are exhausted.

**Principal risks and uncertainties**

The Trustees have a risk management strategy in place and the risk assessment process is designed to record the significant risks the Endowment Funds faces, to allocate responsibility for their mitigation along with associated management actions and timescales and to record management processes designed to minimise risks.

The Trustees have identified the major strategic, business and operational risks which the Endowment Funds faces, as follows:

- Operational risks – fundraising issues, health and safety issues and fraud
- Financial risks – investment management
- Protection of data – cyber and information breaches

The Trustees consider they have established systems to mitigate these risks by a variety of means: investment in market leading, commercial banks and regular reporting by the manager; and protection of computer records by means of back up data. Fraud and health and safety issues are managed in line with agreed policies and effective controls. Fundraising has been relatively stable over recent years with no major cause for concern at this stage.

We will continue to monitor the impact of the Covid-19 pandemic and the remobilisation of health services during 2022-23 and will update the risk register accordingly.

**Plans for Future Periods**

The Trustees will continue to administer the Endowment Funds in accordance with the Standing Financial Instructions and any additional guidance provided.

**Structure, Governance and Management of the Charitable Funds**

The Endowment Funds was recognised by the Inland Revenue as a charity for the purposes of Section 505, Income & Corporation Taxes Act 1988 with effect from 29 November 1994. With effect from that date, it also became entitled, under Section 1(7) of the Law Reform (Miscellaneous Provisions) (Scotland) Act 1990 to describe itself as a Scottish Charity.

‘Endowment Funds’ are those gifts, donations, legacies and endowments made under the relevant charities legislation and held in the Endowment Funds. The Endowment Funds is divided into a number of smaller restricted funds relating to particular divisions, stations and schemes operating within the Service.

**SCOTTISH AMBULANCE SERVICE ENDOWMENT FUNDS**  
**REPORT OF THE TRUSTEES ON THE FINANCIAL STATEMENTS (Cont.)**  
**FOR THE YEAR ENDED 31 MARCH 2022**

Under the terms of the National Health Service and Community Care Act 1990 the Endowment Funds has the power to “accept, hold and administer any property on trust for purposes relating to any service which it is their function to make arrangements for, administer or provide”.

Under the National Health Service Trusts (Appointment of Trustees) (Scotland) (No. 2) order 1994, the chairman, non-executive directors, executive directors and directors of the Endowment Funds are appointed trustees *ex officio* for the purpose of holding any property which is to be held in trust on behalf of the Endowment Funds under section 12G National Health Service (Scotland) Act 1978. Trustees are recruited and appointed in accordance with the Service’s policy for appointment of Board Members. Trustees are supported and advised by their colleagues and given advice by the Board’s Chief Executive and Director of Finance.

There are no relationships between the Endowment Funds and other parties. The relationship with the Scottish Ambulance Service exists on the basis that the members of the Scottish Ambulance Service board are the Trustees of the Endowment Funds.

The Endowment Funds operates within the guidelines of an established set of Standing Financial Instructions (SFIs). These SFIs ensure full compliance with the instructions attached to any donations or legacies made to the Endowment Funds. The SFIs detail how decisions are made regarding the appropriate expenditure of the Endowment Funds. Compliance with the SFIs ensures that any major risks involved in the administration of the Endowment Funds are identified and carefully managed.

**Management**

The Trustees are listed on page 2. The Trustees meet at least twice a year where they are advised by the Chief Executive. The Chief Executive is in charge of the day-to-day management of the Endowment Funds, with the support of the non-executive directors. The Trustees are ultimately in charge of decision making. The financial systems have an additional level of assurance through the accounting support from Scottish Ambulance Service staff.

**Key management personnel and remuneration policy**

The Trustees consider the board of Trustees comprise the key management personnel of the Endowment Funds as they are in charge of directing and controlling, running and operating the Endowment Funds on a day-to-day basis. All trustees give of their time freely and no trustee received remuneration nor expenses in the year.

**SCOTTISH AMBULANCE SERVICE ENDOWMENT FUNDS  
REPORT OF THE TRUSTEES ON THE FINANCIAL STATEMENTS (Cont.)  
FOR THE YEAR ENDED 31 MARCH 2022**

**Trustees' responsibilities statement**

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in Scotland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities Statement of Recommended Practice;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**Statement as to disclosure of information to Auditors**

So far as the Trustees are aware:

- there is no relevant audit information of which the charity's auditors are unaware, and
- each member has taken all the steps that they ought to have taken as a Trustee in order to make themselves aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE  
SCOTTISH AMBULANCE SERVICE ENDOWMENT FUNDS  
FOR THE YEAR ENDED 31 MARCH 2022**

**Opinion**

We have audited the Financial Statements of The Scottish Ambulance Service Endowment Fund (the 'charity') for the year ended 31 March 2022 which comprise the Statement of Financial Activities (incorporating the Income and Expenditure Account), the Balance Sheet, and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2022 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE  
SCOTTISH AMBULANCE SERVICE ENDOWMENT FUNDS (Cont.)  
FOR THE YEAR ENDED 31 MARCH 2022**

**Other information**

The other information comprises the information included in the Trustees' annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities Accounts (Scotland) Regulations 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit; or
- the information given in the financial statements is inconsistent in any material aspect with the trustees' report.

**Responsibilities of trustees**

As explained more fully in trustees' responsibilities statement, the trustees' are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE  
SCOTTISH AMBULANCE SERVICE ENDOWMENT FUNDS (Cont.)  
FOR THE YEAR ENDED 31 MARCH 2022**

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- A review of manual adjustments made in coming to the financial statements would identify any unusual adjustments.
- Through gaining a detailed understanding of the business and operations this allowed for identification of irregularities.
- Review of minutes of board meetings throughout the period;
- Specific consideration was given to transactions with related parties.
- Completing testing on donations and legacies and their systems for recognising them to ensure that they have been accounted for accurately and in the correct period.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE  
SCOTTISH AMBULANCE SERVICE ENDOWMENT FUNDS (Cont.)  
FOR THE YEAR ENDED 31 MARCH 2022**

**Use of Our Report**

This report is made solely to the charity's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Scottish Ambulance Service**

The notes on pages 14 to 19 form part of these financial statements.

**SCOTTISH AMBULANCE SERVICE ENDOWMENT FUNDS**  
**STATEMENT OF ACCOUNTING PRINCIPLES AND NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2022**

**1. BASIS OF ACCOUNTING**

The financial statements have been prepared on the historical cost basis of accounting with the exception of investments which are carried at market value. The financial statements have been prepared in accordance with the Statement of Recommended Practice – Accounting and Reporting by Charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) updated in December 2020, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The Endowment Funds meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

**2. CHARITY INFORMATION**

The Endowment Funds is a registered charity, domiciled in Scotland with charity number SC027131. The principal office is National Headquarters, Gyle Square, 1 South Gyle Crescent, Edinburgh, EH12 9EB. The financial statements have been presented in Pounds Sterling as this is the functional and presentational currency of the Endowment Funds.

**3. ACCOUNTING POLICIES**

**Going Concern**

The Endowment Funds relies upon funding from legacies and donations to fulfil its current and future commitments. The Endowment Funds has no borrowing and strong net assets therefore it is appropriate the Trustees have prepared the financial statements on the going concern basis.

**Income recognition**

All incoming resources are included in the Statement of Financial Activities when the Endowment Funds is entitled to the income, it is probable that the income will be received, and the amount can be measured reliably.

Donations, contributions, and legacies are recognised once the Endowment Funds has entitlement to the funds, it is certain that the funds will be received, and the monetary value can be measured with sufficient reliability.

All income received is credited to a specific fund following instructions given by the individual donating to the Endowment Funds. Income which has no restrictions attached and interest received are included in the SAS General (Unrestricted) Fund of the Endowment Funds. A summary of all donations received is included in the notes to the financial statements.

**SCOTTISH AMBULANCE SERVICE ENDOWMENT FUNDS**  
**STATEMENT OF ACCOUNTING PRINCIPLES AND NOTES TO THE FINANCIAL STATEMENTS (Cont.)**  
**FOR THE YEAR ENDED 31 MARCH 2022**

**3. ACCOUNTING POLICIES (Cont.)**

**Expenditure**

All expenditure is included on an accruals basis, is recognised where there is a legal or constructive obligation to pay for expenditure, and in accordance with restrictions placed on funds by donors.

Expenditure has been charged direct to charitable activities. Charitable activities comprise expenditure to achieve the objects of the Endowment Funds.

Support costs are those costs incurred directly in support of the expenditure on the objects of the Endowment Funds.

Included within Support costs are Governance costs, which are those incurred in connection with setting and monitoring the strategic direction of the Endowment Funds and compliance with constitutional and statutory requirements.

**Debtors**

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid net of any discounts due.

**Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**Creditors**

Creditors are recognised where the Endowment Funds has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

**Financial instruments**

The Endowment Funds only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

**Fund Accounting**

Funds held by the Endowment Funds are either:

Unrestricted general funds - these are funds which can be used in accordance with the charitable objects at the discretion of the Trustees.

Restricted funds - these are funds that can only be used for particular restricted purposes within the objects of the Endowment Funds. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

**SCOTTISH AMBULANCE SERVICE ENDOWMENT FUNDS**  
**STATEMENT OF ACCOUNTING PRINCIPLES AND NOTES TO THE FINANCIAL STATEMENTS (Cont.)**  
**FOR THE YEAR ENDED 31 MARCH 2022**

**3. ACCOUNTING POLICIES (Cont.)**

**Taxation**

The Endowment Funds has charitable status and is exempt from income tax under Section 505 of the Income and Corporation Taxes Act 1988.

The Endowment Funds is not registered for Value Added Tax and accordingly any irrecoverable tax is included within the relevant expenditure. Certain items of equipment etc. may be zero rated for VAT purposes when purchased wholly from charitable funds.

**Judgement in applying accounting policies and key sources of estimation uncertainty**

The preparation of financial statements, requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported during the year for income and expenditure. However, the nature of estimation means that actual outcomes could differ from those estimates. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

There are no judgements and estimates that have had a significant impact on amounts recognised in the financial statements.
