## Question

Please can you provide an updated Organisational Structure Chart that is currently used by SAS.

## Answer

There are reports on our website that contain some detail of the scope of the Scottish Ambulance Service: [Our Board](#)

The Scottish Ambulance Service has multiple Regional and Departmental Organisational Structures. Therefore we do not have a general structure to share. It is for this reason we have applied section 17 of the Freedom of Information Scotland Act 2002 as information not held.
