# Freedom of Information Request

**24<sup>th</sup> June 2024**

## Question

Please could you provide high resolution images of your logo. I require just the "crown badge" logo, not the logo with the name of the ambulance service next to it if possible.

## Answer

The 'Crown Badge' logo of the Scottish Ambulance Service is protected by Copyright laws and misuse of the badge without express permission from The Scottish Ambulance Service Board could result in prosecution. Therefore, it cannot be provided through a Freedom of Information Request.

A formal request detailing the requirement of the logo can be made to [sas.boardsecretary@nhs.scot](mailto:sas.boardsecretary@nhs.scot)
