Freedom of Information Request

16th December 2024

Question

Can I please request the number of ambulance call outs resulting in an A&E journey to either ARI or Dr Gray's also the number of call outs not requiring A&E visit. This is for the Huntly and surrounding area. I am aware of the data available online but this is not broken down into area. I would like this from January 23 to October 24.

Answer

Please see the table below detailing the total number of emergency ambulance conveyances to Aberdeen Royal Infirmary or Dr Grays for patients with the postcode district of AB54 between 01/01/2023-31/10/2024. We have used the postcode district of AB54 to identify Huntly and the surrounding area.

Aberdeen Royal Infirmary (Aberdeen)	Dr Gray's Hospital (Elgin)
687	331

There were 878 total instances of an emergency ambulance attending an incident where a patient was not conveyed to hospital withing the postcode district of AB54 between 01/01/2023 - 31/10/2024.
