## Question

We would like data on the response times of ambulances for road collisions. If possible, we would like the information that is in tables 1-5 of the unscheduled care operational statistics but by year, for the years 2019-2023.

## Answer

Please see the table below detailing the number of Road Traffic Incidents attended by the Scottish Ambulance Service broken down by year from 01/01/2019 - 31/12/2023.

	2019	2020	2021	2022	2023
Attended RTC Incidents	9916	7026	6836	6820	6697

The Scottish Ambulance Service can't report response times by Chief Complaint, it is for this reason we have applied section 17 of the Freedom of Information Scotland Act 2002 as information not held.
